Graduation: June 2022

## Skills

Excellent leader

Learns quickly

Works well in fast paced

environments

Adapts well to changes

Excels when challenged

Manages time well

## Employment

Project Manager – Talmage Construction – Redmond, Oregon – 05/2018 → 11/2018

- Oversaw scheduling and building of 12 houses
- Sought out and scheduled all trades for minimal time in between tradesmen
- Kept site clean and safe for all workers
- Ordered all materials from multitudes of different companies and arranged deliveries for proper trade at correct lot location
- Answered or came up with solutions for problems that would rise everyday with different trades
- Worked with variety of different trades every single day, from excavators to finish carpentry, from architects to real estate agents
- Ensured subcontractors complied with safe work practices and OSHA regulations

Mechanic – PTA Plastics – Longmont, Colorado – 01/2017 → 08/2018

- Conducted routine inspections and cleaning of CNC machines, plastic injection molding machines, routers, and multiple metal working machines
- General mechanic for warehouse, building, and offices. Prioritized time to fix non-scheduled and scheduled machines
- Kept up to date on planned inspections and preventative maintenance
- Interpreted drawings and schematics to pinpoint sources of mechanical issues
- Monitored shop equipment to maintain safe working condition

Aircraft Fuel Systems Craftsman – United States Air Force – Box Elder, SD – 11/2010 → 11/2016

- Shift Supervisor, managed multiple airmen and tasks. Delegated tasks to airmen depending on urgency of jets
- Red "X" waived and qualified. Grounding conditions of jet would not be lifted until final inspection and signature
- Leader of multiple additional shop duties (eg. Training, bench stock, hazardous material waste, confined spaces and flight line safety and driving)
- Three deployments and multiple temporary duty assignments, led to multiple medals, awards, and coins

**Volunteer**

- Wrestling Coach, Ridgeview High School, 2018-2019
